

PAUL SCHREYER

Paul Schreyer is Deputy Chief Statistician at the OECD. His personal research areas include national accounts, the measurement of capital, productivity, welfare, non-market activities and price statistics. He is the author of several OECD Manuals and has a record of publications in international journals and books. In 2008-09, he was rapporteur in the Stiglitz-Sen-Fitoussi Commission on the Measurement of Economic Performance and Social Progress.
